Let Me Know

Ruthie Foster

Whoa, I gotta know something right now, baby
You know I'm feeling something's wrong
And I'm feeling something's wrong now, baby
And if you feeling it like I do
Whoa, why don't you
Whoa, let me know

But if you gonna let me go
I've got nobody, babe
If you gonna let me go
Whoa, I'm tired standing
I'm tired of praying
You bet I'm tired of pissing
I'm tired sitting here praying, babe
For you, for you, all for you
Well, I got no writing of
You gonna let me go
