Pb N' Jellyfish

Linkin Park

A-one, a-two, a-one, two, three, four
Uh, this song's about jellyfish
And their bellyfish
Ain't no foolyfish
I don't droolyfish
Goes like this:Jelly, jelly, jellyfish
When you squeeze me, I go squish
Peanut butter jellyfish
Put me onto your sandwichSaid jelly, jelly, jellyfish
When you squeeze me, I go squish
'Cause I'm a jellyfish
I'm a jellyfishMy friends are fish and they go to school
They think I'm crazy and they think I'm cool
'Cause I'm a jellyfish
I'm a jellyfishJelly, jelly, jellyfish
When you squeeze me, I go squish
'Cause I'm a jellyfish
I'm a jellyfishGot no eyes, I got no head
I've got no house, I got no bed
'Cause I'm a jellyfish
I'm a jellyfish
Jellyfish
