# Do You Know

## Tonic

Underneath the waves
All the heavy sky
I will grow my wings
I will learn to fly
'Cause even though my heart is big enough to fly away
Underneath the confidence, well, I will never say
"I'm strong enough to be alone"
Do you know
Do you know
Do you know, how it feels to be angry
Do you know, how it feels to be hurt
When you live all your life for a moment
Just to prove that you know what it's worth
Do you know
I will show no fear
I won't hide my scars
I will learn to give
I will love what's ours
'Cause even though my heart is big enough to fly away
Underneath the confidence, well, I will never say
"I'm strong enough to be alone"
Do you know
Do you know
Do you know, how it feels to be angry
Do you know, how it feels to be hurt
When you live all your life for a moment
Just to prove that you know what it's worth
When you trust in a man in tomorrow
If you learn to forgive everyday
All the times if you thought you could be trusted
In the end, they could all fall away
'Cause even though my heart is big enough to fly away
I'm strong enough to be alone
Yeah, alone
Woah
Do you know, how it feels to be angry
Do you know, how it feels to be hurt
When you live all your life for a moment
Just to prove that you know what it's worth

When you trust
When you learn
All the times if you thought you could be trusted
In the end, they could all fall away
