Until We Bleed (Cyberdesign Remix)

[Kleerup](#)

I'm naked

I'm numb

I'm stupid

I'm staying

And if Cupid's got a gun, then he's shootin'Lights black, heads bang

You're my drug

We live it

You're drunk, you need it

Real love, I'll give it

So we're bound to linger on

We drink the fatal drop

Then love until we bleed

Then fall apart in partsYou wasted your times

On my heart

You've burned

And if bridges gotta fall, then you'll fall, tooDoors slam

Lights black

You're gone

Come back

Stay gone

Stay clean

I need you to need me

So we're bound to linger on

We drink the fatal drop

Then love until we bleed

Then fall apart in parts
