

# Book of Brilliant Things (feat. Sarah Brown)

## Simple Minds

Thank you for the voice, the eyes and the memories shine  
Thank you for the pictures of living in the beautiful black and the white  
Some say we'll be together for a very long time  
Some say that our first impressions never will lie  
I open up to take a look into the bright and shiny book  
Into the open scheme of things  
Book of brilliant things  
Book of brilliant things  
I open up to take a look into the bright and shiny book;  
Into the open scheme of things  
Book of brilliant things  
Oh, book of brilliant things I thank you for the shadows  
It takes two or three to make company  
I thank you for the lightning that shoots up and sparkles in the rain  
Some say this could be the great divide  
Some day some of them say that our hearts will beat  
Like the wheels of the fast train, all around the world I open up to take a look into the bright and shiny book  
Into the open scheme of things  
Book of brilliant things  
Book of brilliant things Some say we can be together for a very long time  
Some say our hearts will beat like the wheels of a fast train  
All around the world  
All around the world  
All around the world  
Some say our hearts beat like the wheels of a fast train  
All around the world  
All around, all around, around, around  
All around the world Our hearts beat like the wheels of a fast train  
A very long time  
All around and all around and all around and all around the world  
Some say we'll be together  
Some say A very long time, some of them will say  
A very long time all around the world
