Hey Suburbia

Screeching Weasel

Try and tell us our future's at stake
We're gonna slam dance on your grave
Cause we don't give a shit about tomorrow
You say we're a bunch of lazy bums
We just wanna act stupid and have some fun
Cause we don't give a shit about tomorrow
Hey suburbia (x3) We're in love with you (x2)
We won't end up like you want us to be
