

Coming Home

2 Skinnee J's

I'm coming home, I'm coming home I'm lickin' my wounds in hotel rooms
Breathin' in fumes but I'll be there soon
I'm lickin' my wounds in hotel rooms
Breathin' in fumes but I'll be there soon I'm lickin' my wounds in hotel rooms
Breathin' in fumes but I'll be there soon
I'm lickin' my wounds in hotel rooms
Breathin' in fumes but I'll be there soon
