

Deadened

Front Line Assembly

Circling overhead as the shadows hit the ground

Renegade insurgents

Surround the compound

Murderous intentions

A mission of ill reprieve

Complex situation Don't take him alive

Don't take him alive Paralyzed

Kill zone read

Shoot the eye

A killing ground for tyrants

Get down on your knees

a gun in your mouth

Will fill all your needs Brainwashes solutions

Torture and disease

Final retribution

For everyone to see

Paralyzed

Kill zone red

Time to die

Undone by evil deeds
