All We Need

Newsong

I was lonely, I was hurting
I was lost and deserted
I felt like hope was a million miles away

So I cried out for mercy
Jesus reach down and save me
Now I live to tell of His amazing grace

Anybody, out there searching
Jesus, Jesus, is all we need
Brokenhearted, heavy burdened
Jesus, Jesus, is all we need

He was waiting, He was listening
In the silence, He is whispering
He loves you and He longs to hold You close

If You let Him, He will help you
He will come to your rescue
He will love you and will never let you go

Anybody, out there searching,
Jesus, Jesus, is all we need.
Brokenhearted, heavy burdened,
Jesus, Jesus, is all we need.

The lost are found, the dead arise
Hope is here to fill your life
We rise up and we will live
We rise up and we will live

The lost are found, the dead arise
Hope is here to fill your life
We rise up and we will live
We rise up and we will live

Anybody, out there searching,
Jesus, Jesus, is all we need.
Brokenhearted, heavy burdened,

Jesus, Jesus, is all we need.

The lost are found, the dead arise
Hope is here to fill your life
We rise up and we will live
We rise up and we will live

The lost are found, the dead arise
Hope is here to fill your life
We rise up and we will live
We rise up and we will live
