

# Walk In My Shoes

Emily King

I just wanna live my life  
'Cos I wanna and I needed to  
So don't be tryna steal my light  
'Cos you don't know me, don't pretend to And I've been busy on my grind  
Just like you, I've been tryin'  
I've even shed a tear or two  
I swear to you, I ain't lyin', oh Sometimes I feel the world is after me  
Tryna get to me, tryna stop what I do  
'Cos I'm the only one that looks out for me  
Can be me and walk in my shoes Everyday there's somethin' that's new to me  
I just gotta breathe, I don't know about you  
But I'm the only one that looks out for me  
Can be me and walk in my shoes It ain't easy being Emily, no  
But I don't wanna change my name  
'Cos I ain't got to, I don't need to  
So I'ma do what I do 'cos I ain't gotta live for you  
But I'ma keep up with mine  
Keep on strivin' and survivin', oh Sometimes I feel the world is after me  
Tryna get to me, tryna stop what I do  
'Cos I'm the only one that looks out for me  
Can be me and walk in my shoes Everyday there's somethin' that's new to me  
I just gotta breathe, I don't know about you  
But I'm the only one that looks out for me  
Can be me and walk in my shoes See, everybody's got their own problems  
That they're goin' through  
I take it day by day, that's only thing that I can do  
So I live for me and you live for you  
But you can't be me unless you walked in my shoes Sometimes I feel the world is after me  
Tryna get to me, tryna stop what I do  
'Cos I'm the only one that looks out for me  
Can be me and walk in my shoes Everyday there's somethin' that's new to me  
I just gotta breathe, I don't know about you  
But I'm the only one that looks out for me  
Can be me and walk in my shoes Sometimes I feel the world is after me  
Tryna get to me, tryna stop what I do  
'Cos I'm the only one that looks out for me  
Can be me and walk in my shoes Everyday there's somethin' that's new to me  
I just gotta breathe, I don't know about you  
But I'm the only one that looks out for me

Can be me and walk in my shoes Walk, walk, walk, walk, walk, walk

Walk in my shoes

Walk, walk, walk, walk, walk, walk

Walk in my shoes

You gon' do you and I'ma do me
