

My Baby's Gone

Kip Moore

Another sunrise in an empty bed
Tracin' these lines where she laid her head
I'm a mess, my baby's gone
Grab a dirty shit with a hole and a stain
Never woulda let me leave the house this way
But today, my baby's gone Yeah she's gone, yeah she's gone, my baby's gone
Yeah she's gone, yeah she's gone, my baby's gone I fix a cup of coffee, light a cigarette
Wish I heard her whisperin' underneath her breath
Baby don't, but my baby's gone
Go to turn the key but the engine won't turn
Always told me baby
When you ever gonna learn, that truck, it's a piece of junk Yeah she's gone, yeah she's gone, my baby's gone
Yeah she's gone, yeah she's gone, my baby's gone I have spent a lifetime making, memories now, I can't forget
But life is sweeter, with her memory, than any life, without her in it 30 minutes late, but I punch that clock
Hammer and a nail till they tell me to stop's
What I do, while I think of you
Boss man yellin' something in my ear
Funny how the only thing I can hear is her voice
I miss her sweet voice Yeah she's gone, yeah she's gone, my baby's gone
Yeah she's gone, yeah she's gone, my baby's gone Red sun settin' through the dark green pines
Countin' these shadows on these same white lines
As I turn, the radio up
Every single song that it wants to play
Never knew Skynard'd make you hurt this way, in a song, with Tuesday's Gone Yeah she's gone, yeah she's
gone, my baby's gone
Yeah she's gone, yeah she's gone, my baby's gone Another hard day finally comes to an end
Layin' here tracin' these lines again
You're gone, yeah my baby's gone Alright now Oh, oh, my baby's gone (yeah she's gone, yeah she's gone, yeah
she's gone)
Oh, oh, my baby's gone (yeah she's gone, yeah she's gone, yeah she's gone)
Oh, oh, my baby's gone (yeah she's gone, yeah she's gone, yeah she's gone)
Oh, oh, my baby's gone
