

Please Little Spender, Think!

Cha-Ching

[Pepper]

I can't wait for the concert!

I'm going to celebrate by going shopping!

[Prudence] Pepper, don't go crazy at the store! You need enough money to buy your concert ticket, remember?

[Pepper] Sorry Prudence, gotta go! See you tonight...

[Justin] (speaking on TV commercial) Buy one get one free, Limited Time Only!

[Pepper] Let's go shopping!

This is my time, this is buy time

Hear that till it's going BING, BING, BING!

All the things love, my heart sings love

I feel this store has been made just for me, me, me!

You watched the TV, you promised freebies

It's 50% so I can buy twice as much

It's cool to buy stuff but have you thought enough?

Wasting time talking when there's money to spend

[Pepper] There's money to spend!

You're a shopaholic, you need everything now

You rack up quite a bill

You're a shopaholic, you spare no time to think

Love the excitement and the thrill

The savings have gone

Look and you will see

All the things you're buying

they are not free!

Please little spender, think!

You choose quantity over quality

Lots of bags, so many swing tags

It's not a race girl, there's no first place girl

Every step I take, I see something that's me

[Pepper] That's totally me!

I'm at the till now, was like really now?

You're about to spend loads of money everything you have

My purse is empty, now can that be?
You didn't weigh it up and now there's no cash left

[Pepper] There's no cash left?

Consider all your options now
Be smart before you start
Consider all your options now
Before filling up your cart

The savings have gone
Look and you will see
All the things you're buying
they are not free!
Please little spender, think!

[Pepper] Spending's got the better of me, but I'm not going to let it.

[Zul] Please little spender, think!

[Pepper] Thinking more is my goal!

Consider all your options now
Be smart before you start

Don't want your savings to go (Ah-aah!)
On just one shopping spree (No way!)
You'll be better off financially
On that we can agree!
Please little spender, THINK!
