## Disturbing Tha Peace

Georgia, Georgia, Georgia, Georgia

[Chorus: x2]

We on the grind in, Georgia  
All the time, it ain't  
Nothing on my mind but - Georgia  
We ain't playing with you

Country name , Country slang,  
Fiend at the liquor store,  
Lac' cruisin' , crap shooting,  
50 on the 10 to 4,  
Overcast the forecast,  
Shows clouds from plenty dro,  
And we ready for war in the state of Georgia  
Dirty words , dirty birds  
Its mean in this dirty south  
Ever disrespect it and we'll clean out your dirty mouth,  
Bulldogs clocking, these lookout boys is hawking,  
You gotta be brave in the state of - Georgia  
I got 5 Georgia homes where I rest my Georgia bones,  
Come anywhere on my land and I'll aim at your Georgia dome  
If you get in an altercation just hop on your mobile phone,  
And tell somebody you need help in the middle of - Georgia,  
We some ATL thrashers,  
Scope your pumpkin and smash ya,  
We'll come through your hood worst than a tsunami disaster,  
Don't know who they gonna get or who them robbers gonna hit  
That's why I keep my Georgia tech in the state of - Georgia

[Chorus: x2]

I'm from the home of neckbones , blackeyed peas,  
Turnip and collard greens we  
The children on the corn dirtier than Bob Marley's pee pee,  
G.A the peach state where we stay,  
My small city's called Albany - Georgia  
Pecan country like catfish with grits,  
Candy yams and chitlings,  
Grams homemade baked biscuits,

The land of classical caprices and impala super sports,  
Ingredients in this peach cobbler called Georgia,  
I love the women out in L.A.  
And the shopping stores in New York  
The beaches in M.I.A  
But it ain't nothing like that G.A red clay,  
Look on your map we right above Florida,  
Next to Bama,  
Under the Carolinas and Tennesse you'll see - Georgia,  
Where Gladys knights and the midnight train - Georgia,  
THE BIRTHPLACE OF MARTIN LUTHER KING  
Where ass so plump and hips are thick,  
Where Lac' trucks sit on 26's,  
Know where you going or you'll get lost,  
Found on these plum trees in the south,  
These choppas will tomahawk your top down here in - Georgia

[Chorus: x2]

Now I was born in the belly of the bottom of the map,  
Where the wet paint drip jelly on pirelliz an the chrome on The chevy when I'm choppin in the trap,  
Country as hell, they some warriors, told sum to spray SumthAn the same shape as Florida,  
Lookin' for me boy, ya find me, down in Dougherty County in a Small city called Albany - Georgia  
Where they use to call us some mammothz,  
An now they jocking the grammar  
Watch your mouth unless you out for some mannar,  
Bunch of hustlas run on every corner like the waffle house in Atlanta,  
Or I be camour flag out in sa'avannah - Georgia  
Now you might come for Vacation,  
Leave on Probation,  
Home of the strip club,  
Known for the thick gulz  
Where the chicks put tips in the tip cup,  
Of thick chick in a thong with a big butt  
When it gettin' on, won't be cheap when it on like peach tree,  
Make a chick take it off like freaknik, down here in- Georgia  
When you see them confederate flags you know what it is,  
Your folks pick cotton here that's why we call it the field,  
I got a Chevrolet on 26's,  
I'm from G.A , G.A - Georgia

[Chorus: x2]

Georgia , Georgia , Georgia , Georgia - Georgia
