Bali Ha'i

Peter Cincotti

Bali Ha'i may call you Any night and any day In your heart you'll hear it call you Come away, come awayBali Ha'i will whisper On the winds of the sea Here am I your special island Come to me, come to meYour own special hopes Your own special dreams Bloom on the hillside And they shine in the streamsIf you try you'll find me Where the sky meets the sea Here am I your special island Come to me, come to meYour own special hopes Your own special dreams Bloom on the hillside And they shine in the streamsIf you try you'll find me Where the sky meets the sea Here am I your special island Come to me, come to me Come to me, come to me
