Belfast Child

Simple Minds

When my love said to me
Meet me down by the gallow tree
For it's sad news I bring
About this old town and all that it's offering
Some say troubles abound

Some day soon they're gonna pull the old town downOne day we'll return here When the Belfast Child sings againBrothers, sisters, where are you now?

As I look for you right through the crowd

All my life here I've spent

With my faith in God the Church and the Government

Some say troubles abound

Some day soon they're gonna pull the old town downOne day we'll return here When the Belfast child sings again

When the Belfast child sings againSo come back Billy, won't you come on home?

Come back Mary, you've been away so long

The streets are empty, and your mother's gone

The girls are crying, it's been, oh, so long

And your father's calling, come on home

Won't you come on home? Come on homeCome back people, you've been gone a while

And the war is raging, through the Emerald Isle

That's flesh and blood man, that's flesh and blood

All the girls are crying but all's not lostThe streets are empty, the streets are cold

Won't you come on home? Come on home The streets are empty

Life goes onOne day we'll return here When the Belfast child sings again When the Belfast child sings again
