

The One

Foo Fighters

Everyone makes one mistake
One more time for old times sake
One more time before the feeling fadesOne that's born of memories
One more bruise you gave to me
One more test just how much can I takeBecause you're not the one but you're the only one
Who can make me feel like this
You're not the one but you're the only one
Who can make me feel like shitSomething never meant to be
Everything you meant to me
Wake me when this punishment is doneThose who try and get away
From the one who gets away
Someone's always someone else's oneBecause you're not the one but you're the only one
Who can make me feel like this
You're not the one but you're the only one
Who can make me feel like shit
You're not the one but you're the only one
Who can make me feel like this
You're not the one but you're the only one
Who can make me feel like shitUntil the end of time
In another life
Until the day I die
Save it up for one more try
Save it for the last goodbye
We go on and get off
And get on and get offBecause you're not the one but you're the only one
Who can make me feel like this
You're not the one but you're the only one
Who can make me feel like shit
You're not the one but you're the only one
Who can make me feel like this
You're not the one but you're the only one
Who can make me feel like shitBecause you're not the one but you're the only one
Who can make me feel like this
You're not the one but you're the only one
Who can make me feel like
Oh shit
