

# Johnny Raven

Michael Jackson

Free and untamed that's how I've grown  
Settling down ain't my nature  
Roots I'll never own  
Oh your smile  
But tell me, ain't your child  
How can you cage a bird  
Born to be wild[Chorus]  
I'm Johnny Raven by and by  
Oh, I'm going to leave your nest girl  
Another nest to try  
Ooh Johnny Raven  
Girl you know I shouldn't have loved you  
Yeah, but I gotta leave you  
When my restless heart says goodbyeLook at you little girl  
You feel love so deep  
If I could change in a second  
I'd change for you like that  
Stay right here for keeps  
But I'm home free for no thrills  
Stray I will  
Seems I gotta need one girl  
Never can feel[Chorus]
