

"Ole" Baugh Road

Alabama

Round Ole Baugh Road its a great place kids to grow
Some grow up and move away
Most of us decide to stay
Round the Ole Baugh RoadHard working mom and dad gave us things
That they never had in our corner of the world
Romance is slow for the boys and girls
Round the Ole Baugh RoadThe neighborhood still looks the same
Just new kids with the same old names
My Baugh Roads in a southern state
Yours may be anywhere, U.S.A.
Look around Ole Baugh RoadI see the kids on Ole Baugh Road
I see the glory of the future glow
Look to the Heavens and give a shout
Like my daddy did when he started out
Round, round, round the Ole Baugh RoadRound, round, round
Round, round, round
Round, round, roundThe Ole Baugh Road
Round, round, round
Round, round, round
