Hardest Part (feat. John Legend)

Laura Welsh

Hardest part I know is giving a little bit of my control
I'm hoping at my heart, just a little part
And my mind says no
If you're so close to be, why do you remain a mystery
I've analyzed enough, feel like giving up
When my doubts they whole
I can't dwell on it
Lately I've been going through hell on it
I keep lying to myself I don't need nobody else
but I do! I need you!
I can't sleep on it, maybe I've been thinking too deep on it
I've been lying to myself I don't need nobody else
But I do! Honey, I need you! I need you! I need you! I need you!
I need youIt's not how to tell, already
I thought your looking sight is still hard to find
sponsored links'Cause you know me well
And maybe I'm confused, maybe I ask too much of you
I tend to over-think almost everything,
When I should let it be
I can't dwell on it
Lately I've been going through hell on it
I keep lying to myself I don't need nobody else,
but I do! I need you!
I can't sleep on it, maybe I've been thinking too deep on it
I've been lying to myself I don't need nobody else
But I do! Honey, I need you! I need you! I need you! I need you!
I need youAnd if there's an answer won't you let me know?
I'm in the dark, this doesn't feel like home
I've tried my very best, oh why I must confess
At time, our love feels much too much to hold
