

Band Of Gold (Re-Recorded / Remastered)

Freda Payne

Now that you're gone,
All that's left is a band of gold
All that's left of the dreams I hold
Is a band of gold
And the memories of what love could be
If you were still here with me You took me from the shelter of my mother
I had never known or loved any other
We kissed after taking vows
But that night on our honeymoon,
We stayed in separate rooms I wait in the darkness of my lonely room
Filled with sadness, filled with gloom
Hoping soon
That you'll walk back through that door
And love me like you tried before Since you've been gone,
All that's left is a band of gold
All that's left of the dreams I hold
Is a band of gold
And the dream of what love could be
If you were still here with me Ohhhh Don't you know that I wait
In the darkness of my lonely room
Filled with sadness, filled with gloom
Hoping soon
That you'll walk back through that door
And love me like you tried before Since you've been gone,
All that's left is a band of gold
All that's left of the dreams I hold
Is a band of gold
And the dream of what love could be
If you were still here with me Since you've been gone,
All that's left is a band of gold
All that's left of the dreams I hold
Is a band of gold
And the dream of what love could be
If you were still here with me
