Live Another Day

Stevie Ray Vaughan & Double Trouble

Well now sittin' here so lonely, feelin' oh so blue
My baby's tryin' to mistreat me
And I don't know what to do
So I'm cryin'
Why do I have to feel this way
If I can't love my baby, I can't live another dayYeah I've loved her for such a long time, to end it all this way
Sittin' here so lonely, tears keep fallin' just like rain
So I'm cryin'
Why do I have to feel this way
If I can't love my baby, I can't live another day
Yeah you know I love you baby, I'll do anything for you
But when we start to fightin', I just get these same old blues
So I'm cryin'
Why do I have to feel this way
If I can't love my baby, I can't live another dayYeah now when I first met you baby, at a dance and we did fine
Now we're together and yeah it's a total waste of time
So I'm cryin
Why do I have to feel this way
If I can't love my baby, I can't live another day
Well I guess it's just my own fault, the truth I cannot hide
But if I ever get her back again, I'll stay right by her side
I won't be cryin'
I'll stay happy that a way
I'll be lovin' my little baby, every night and every day
