Đ”Đ¶Đ°Ñ•Ñ,Đ,Đ½ Đ¢Đ,Đ¼Đ±ĐµÑ€Đ»Ñ•Đ¹Đ°

Pass me the bottle

[Chorus]

Pass the bottle 'cause I'm too messed up  
I'm gonna fill my cup I'm gonna drink you away  
Pass the bottle 'cause I'm too messed up  
I'm gonna fill my cup I'm gonna drink you away

[Verse 1]

Forget about love I like thongs and tattoos  
Peggy Sues and boots, high heel stiletto shoes  
I don't miss my ex, I like JB & Crown  
I hit my boy scotch when that Jack ain't down  
And no late night drama, no time to think  
It's last call, 10 minutes, it's time to drink  
I'm all smiles and hugs, Strip clubs I'm kinda twisted  
It's 2 am and I'm still double fistin (you know)  
You can have your man I got Britney and Hannah  
A New York girl and one from Alabama  
And you miss me now, but Kelly's on my mind  
Oh I might call Heather just to pass the time  
You didn't like my ways so now I'm livin it up  
Totin up and showin up keep filling my cup  
I may, I may not, say whatever you say  
I got my cure right here I'm gonna drink you away

[Chorus]

Pass the bottle 'cause I'm too messed up  
I'm gonna fill my cup I'm gonna drink you away  
Pass the bottle 'cause I'm too messed up  
I'm gonna fill my cup I'm gonna drink you away

[Verse 2]

10 P.M. call my boys, grab the jack, let's roll  
There's no worries tonight and no cares, so let's go  
'cause I met a nice girl, I think her name was Tammy  
I tipped her 20 bux, got to feel her fanny  
For a good five minutes, thought it was true love  
Til I realized I was in the elks club (what)  
I'm single now so come sit on my lap

I got 5 more dollars in my baseball cap  
I don't miss my girl now, hey baby where you goin?  
She had thick thighs, half her ass was showin  
It's just me and my bros in limos and live shows  
Throwin them bows love comes and then it goes  
And I told you, no bluffs, it's all true  
Now it's Babydolls, Cheatas and DÃ©jÃ© vu  
And my mind's over you more and more everyday  
But in the meantime I'ma drink you away

[Chorus]

Pass the bottle 'cause I'm too messed up  
I'm gonna fill my cup I'm gonna drink you away  
Pass the bottle 'cause I'm too messed up  
I'm gonna fill my cup I'm gonna drink you away

[Verse 3]

A city kid in a different world  
But I fell outta love with that country girl  
No headaches, heartbreaks, it's just drinks and bottles  
I went from country girls to dating plus size models  
(?????) cold brews, booty calls and malls  
And big balls and big drawers in the bathroom stalls  
And now I'm clubbin, lovin them girls with ass cracks  
Lips waxed and girls with the damn the big racks  
I'm done with you and it's back to straight gin  
And I'm cussin you out with a half drunk grin  
And I'm lovely 'cause it gets no better  
I'm fully fueled up when I wrote this letter  
I'm writing goodbyes, it's no ties and no lies  
Blond hair and blue eyes, kiss my ass goodbye  
I'm back to the bar 'cause my therapy's there  
6 drinks later like I don't even care  
'cause I

[Chorus]

Pass the bottle 'cause I'm too messed up  
I'm gonna fill my cup I'm gonna drink you away  
Pass the bottle 'cause I'm too messed up  
I'm gonna fill my cup I'm gonna drink you away

[Chorus]

Pass the bottle 'cause I'm too messed up  
I'm gonna fill my cup I'm gonna drink you away  
Pass the bottle 'cause I'm too messed up

I'm gonna fill my cup I'm gonna drink you away

You away
