

# New Favorite

## Alison Krauss & Union Station

New Favorite  
They all say it  
I'll say it too  
You've got a new favorite You're old standby  
Your right hand guy  
Is nothing new  
You've got a new favorite Why do you lie about love?  
I saw the light go out And should I go  
You won't say so  
I know its true  
I know you've got a new favorite  
I know you've got a new favorite
