My Little Funhouse

(Lyrics-Alan Lawlor I Music-Brendan Morrissey)

If being what you want, isnâ€™t what you are
Be careful of your actions â€˜cause the line is not too far
Pretentious minds are lethal and troubles always there
If actingâ€™s just like lying donâ€™t believe my loyal swear

Bridge:
Oh no you donâ€™t believe me
Oh no you donâ€™t believe me

Chorus:
Itâ€™s only your destiny
Itâ€™s just the way God meant it to be

If I was to use a metaphor, a snake in the grass weâ€™d be
And youâ€™d be the heart and sheâ€™d be the tail and Iâ€™d be the eyes that see
I see things some wouldnâ€™t but sometimes I think Iâ€™m blind
In my own strange way I think Iâ€™m heading for the path I have to find

Bridge
Chorus

You say some day Iâ€™ll realise how much you love me
But I donâ€™t think you even know me or understand what I want to be
Iâ€™ve brought us to the peak yeah the test is now complete
Now itâ€™s time to ask yourself will I stand or rest my feet

Bridge
Chorus

When you look into the mirror tell me what is do you see
The face thatâ€™s looking at you is your living destiny
Everything that ever happened it was all just meant to be your destiny
