

# Untrustable Part 2 (About Someone Else)

## Built to Spill

you can't trust anyone  
cause you're untrustable  
how can you trust someone you know can't trust you  
you won't help anyone  
cause you're unusable  
no one can tie you down  
no, you're nobody's fool  
and I'd love to see it but it's something you just feel  
and I'd like to feel it but it just isn't real  
and god is whoever you're performing for  
and god is whoever you perform for you don't like anything cause you're unlikable  
all because you're not interested in you anymore  
it's so unthinkable cause you don't think of it  
how many ideas can fit in your reality  
and I'd love to see it but it's something you just feel  
and I'd like to feel it but it just isn't real and I'd love to see it but it's something you just feel  
and I'd like to feel it but it just isn't real  
and god is whoever you're performing for  
and god is whoever you perform for- Pt. 2 (about someone else)
