

# An End Has A Start

## Editors

I don't think that it's  
Gonna rain again today  
There's a devil at your side  
But an angel on her way Someone hit the light  
'Cause there's more here to be seen  
When you caught my eye  
I saw everywhere I'd been and wanna go to You came on your own  
That's how you'll leave  
With hope in your hands  
And air to breathe I won't disappoint you  
As you fall apart  
Some things should be simple  
Even an end has a start Someone hit the light  
'Cause there's more here to be seen  
When you caught my eye  
I saw everywhere I'd been and wanna go to You came on your own  
That's how you'll leave  
With hope in your hands  
And air to breathe You'll lose everything  
By the end  
Still my broken wings  
You find time to mend More and more people  
I know are getting ill  
Pull something good from the  
Ashes now be still You came on your own  
That's how you'll leave  
With hope in your hands  
And air to breathe You'll lose everything  
By the end  
Still my broken wings  
You choose to mend You came on your own  
That's how you'll leave  
You came on your own  
That's how you'll leave You came on your own  
You came on your own
