Pawn Shop

Sublime

Down there at the pawn shop, it's only way to shop
Down there at the pawn shop, if it's not in stone
Down there at the pawn shop, at no end, no way to shop
Down there at the pawn shop
What has been told, Albino made of stone
Just remember that it's flesh and bone
So, why I'm down here at the pawn shop?
Down here at the pawn shop, down here at the pawn shop
Down here at the pawn shop
What has been sold, not strictly made of stone
Just remember that it's flesh and bone
And I have heard, like dike-a-bird yeah
But just remember that it's flesh and bone
So why I'm down here at the pawn shop?

Down here at the pawn shop
Go, right, that's right
Down here at the pawn shop, it's a nifty way to shop
Down here at the pawn shop, it's another sold
Down here at the pawn shop, it's a nifty way to shop
Down here at the pawn shop
What has been sold, not strictly made of stone
Just remember that it's flesh and bone
What has been sold, not strictly sold
Please remember that it's flesh and bone
I am down here at the pawn shop, down here at the pawn shop
Down here at the pawn shop, down here at the pawn shop, yop yop
Go see
