

# Way of Life (2012 Remaster)

## Gentle Giant

You'll find an answer,  
You've got to believe in your own way  
Of life.  
So you'll have to find an answer,  
You'll have to find a way,  
Try to find,  
Try to find. You'll try to question her,  
Does she believe in the choice of  
Your life.  
So you have to try to ask her, when you are away, left  
Behind, out of mind; away. And in the end you discover, examine, you have to decide if  
There is an answer, if there is a way,  
Let her find piece of  
Mind. And another day, all alone, think there is away at home.  
Every other may, have their own, way of life that is their  
Own.  
And your wandering only a game to realize no joy your  
Own. And another day, all alone, choice of life is not your own. You'll try to question her,  
Does she believe in the way of  
Your life.  
So you have to try to ask her,  
You'll have to find a way, left  
Behind, out of mind; away.
