

No Worries

McFly

We ran through strawberry fields and smelt the summer time,
When it gets dark I'll hold your body next to mine,
Then we'll find some wood and hell we'll build a fire,
And then we'll find some rope and make a string guitar. Captivated by the way you look tonight
the light is dancing in your eyes
Your sweet eyes
Times like these we'll never forget
Staying out to watch the sunset
I'm glad I shared this with you
You set me free
Showed me how good my life could be
How did you happen to me
Yeahhh aww And then I'll swing you girl until you fall asleep
And when you wake up you'll be lying next to me
We'll go to Hollywood make you a movie star
I want the the world to know how beautiful you are Captivated by the way you look tonight
the light is dancing in your eyes
Your sweet eyes
Times like these we'll never forget
Staying out to watch the sunset
I'm glad I shared this with you
You set me free
Showed me how good my life could be
How did you happen to me
Yeahhh aww There are no secrets anymore
Nothing we don't already know
There are no fears of growing old
We've got no worries in the world Ba ba ba ba ba ba
