So Far Away

The Crusaders

So far away
Doesn't anybody stay in one place any more?
It would be so fine to see your face at my door
And it doesn't help to know you're just time away
Long ago I reached for you and there you stood
Holding you again would only do me good
Oh how I wish I could but you're so far away

One more song about moving along the highway
I can't say much of anything that's new
But if I could only work this life out my way
I'd rather spend it being close to you

But you're so far away
Doesn't anybody stay in one place any more?
It would be so fine to see your face at my door
And it doesn't help to know you're so far away
So far away, yeah, you're so far away

Traveling around sure gets me down and lonely
Nothing else to do but close my mind
And I sure hope the road don't get to own me
There's so many dreams that I've yet to find

But you're so far away
Doesn't anybody stay in one place any more?
It would be so fine to see your face at my door
And it doesn't help to know you're so far away
So far away, yeah, you're so far away
