Come Undone

Robbie Williams

So unimpressed, but so in awe
Such a saint, but such a whore
So self-aware, so full of shit
So indecisive, so adamant
I'm contemplating, thinkin' about thinkin'

It's overrated, just get another drink andWatch me come undone They're selling razor blades and mirrors in the street

I pray when I'm coming down, you'll be asleep

If I ever hurt you, your revenge will be so sweet

Because I'm scum, and I'm your son

I come undone

I come undoneSo rock 'n' roll, so corporate suit So damn ugly, so damn cute

So well-trained, so animal

So need your love, so fuck you all

I'm not scared of dying, I just don't want to

If I stop lying, I'll just disappoint youCome undone They're selling razor blades and mirrors in the street

Come undone

I pray when I'm coming down, you'll be asleep

Come undone

If I ever hurt you, your revenge will be so sweet

Because I'm scum, and I'm your son

I come undoneSo write another ballad, mix it on a Wednesday

Sell it on a Thursday buy a yacht on Saturday

It's a love song, a love song

Do another interview, sing a bunch of lies

Tell about celebrities that I despise

And sing love songs, we sing love songs so sincereSo sincereCome undone

They're selling razor blades and mirrors in the street

Come undone

I pray when I'm coming down, you'll be asleep

Come undone

The young pretend you're in the clouds above the sea

I come undone

I am scum

Love your son

You've gotta love your son

Come undone

You've gotta love you son Come undoneLove your son

I am scum
