

# The Great Deceiver

Evergrey

Health-food fagot with a bartered bride  
Likes to comb his hair with a dipper ride  
Once had a friend with a cloven foot  
Once he called the tune in a chequered quitGreat deceiverIn the door on the floor in a paper bag  
There's a shoe-shine boy with a gin-shop slag  
She raised him up and she called him son  
And she canonized the ground that he walked uponGreat deceiverCigarettes, ice cream, figurines of the Virgin  
Mary  
Cigarettes, ice cream, figurines of the Virgin Mary  
Cigarettes, ice cream, Cadillacs blue jeansIn the night he's a star in the Milky Way  
He's a man of the world by the light of day  
A golden smile and a proposition  
And the breath of God smells of sweet seditionGreat deceiverSing hymns make love get high fall dead  
He'll bring his perfume to your bed  
He'll charm your life 'til the cold winds blow  
Then he'll sell your dreams to a picture showCigarettes, ice cream, figurines of the Virgin Mary
