

Make It Rain (from Sons of Anarchy)

Ed Sheeran

When the sins of my father
Weigh down in my soul
And the pain of my mother
Will not let me go
Well I know there can come fire from the sky
To refine the purest of kings
And even though
I know this fire brings me pain
Even so
And just the same Make it rain
Make it rain down low
Make it rain
Oh make it rain
Make it rain
Make it rain down low
Make it rain
Make it rain The seed needs the water
Before it grows out of the ground
But it just keeps on getting hard
And the hunger more profound
Well I know there can come tears from the eye
But they may as well be in vain
Even though
I know these tears come with pain
Even so
And just the same Make it rain
Make it rain down low
Make it rain
Oh make it rain
Make it rain
Make it rain down low
Make it rain
Make it rain And the seas are full of water
That stops by the shore
Just like the riches of grandeur, oh no no
Never reach the port
So let the clouds fill with thunderous applause
And let lightning be the veins
That fill the sky

With all that they can drop
When it's time to make a changeMake it rain
Make it rain down low
Make it rain
Make it rain
Make it rain
Make it rain down low
Make it rain
Oh make it rainMake it rain
Make it rain
Make it rain
Oh make it rain
Make it rain
Make it rain down low
Make it rain
Oh make it rainMake it rain
Make it rain
Make it rain
Make it rain
Make it rain
Make it rain
Make it rain
Oh make it rain
