

# Beauville

## Gob

i heard your invitation so i got up to bat and i swung real hard, i think i knocked out the lights when i look back  
because you had no idea where i was coming from . i think i heard your shell break and i could feel your pain. i  
had the nerve to put up a fight when no one else could reach inside to you. here you go this is yours a piece of  
mind a sort of restitution
