

Broken Umbrella

Richard X. Heyman

You're walking around, rain coming down
I don't mind at all
Let all the clouds tear up and drown us
Winter, spring, summer, or fall
Cuz when I'm with you it really don't matter
If we're walking around with a broken umbrella
Let it rain, let it rain, let it rain
Let it rain, let it rain, let it rain
With your hand in mine the sun always shines
No matter what the weatherman says
I don't mind a flood, let's splash through the puddles
Baby this is just as good as it gets
Oh yes
Cuz when I'm with you it really don't matter
If we're walking around with a broken umbrella
Let it rain, let it rain, let it rain
Let it rain, let it rain, let it rain
Let it rain, let it rain, let it rain

So kiss me
(so kiss me)
Like you mean it
(like you mean it)
Like a blue sky
(like a blue sky)
Like you're dreaming
(like you're dreaming)
Like you're dreaming
Cuz when I'm with you it really don't matter
If we're walking around with a broken umbrella
Let it rain, let it rain, let it rain
Let it rain, let it rain, let it rain
Let it rain, let it rain, let it rain
Let it rain, and rain, and rain, and rain
Yeah
We're walking around, rain coming down
