The Final Countdown

Furillo

We're leaving together
But still it's farewell
And maybe we'll come back
To earth, who can tell?
I guess there is no one to blame
We're leaving ground
Will things ever be the same again?It's the final countdown
The final countdownOhh
We're heading for Venus and still we stand tall
'Cause maybe they've seen us and welcome us all, yea
With so many light years to go and things to be found
(To be found)
I'm sure that we'll all miss her soIt's the final countdown
The final countdown
The final countdown
(The final countdown)
Ohh ho ohhThe final countdown, oh ho
It's the final countdown
The final countdown
The final countdown
(The final countdown)Ohh
It's the final countdown
We're leaving together
The final countdown
We'll all miss her so
It's the final countdown
(The final countdown)
Ohh, it's the final countdown
Yea
