

# Do Downs

**Dr. Hook**

(arr. Dr. Hook) Oh it ain't alright if you do downs, do downs, do downs

It ain't alright if you do downs, all the live long day 'Cause you'd wanna sleep all night, you'd wanna sleep all  
day

But I bet my money on a bag of reds, somebody do downs today Try not to die, try not to die  
Try not to die, not to die, not today
