

# Beautiful Freak

## One-Eyed Doll

You've got a face  
Only a mother could love  
Well I'll love you  
You my Beautiful Freak You're out of style  
You're out of touch  
Well I'll touch you  
You my Beautiful Freak Beautiful Freak I'll be your mama  
I'll be your brother  
I'll be your sister  
I'll be your lover Your Pain  
Your Pleasure  
My Beautiful Freak  
BEAUTIFUL FREAK All my life  
So lonely  
Didn't know I was  
a Beautiful Freak To my pleasure  
You've shown me  
Now I love you  
My Beautiful Freak  
Beautiful Freak  
My Beautiful freak  
Beautiful freak I'll be your mama  
I'll be your brother  
I'll be your sister  
I'll be your lover Your Pain  
Your Pleasure  
My Beautiful Freak
