

# Blackacidevil

## Danzig

Blackacidevil, all my own  
I've got to feel your heart beat next to my  
Blackacidevil, all my own  
Do you want to look inside my soul  
Blackacidevil, all my own  
I've got to feel your heart beat next to my  
Blackacidevil, all my own  
Do you want to look inside my soul  
Inside my soul  
Inside my soul  
Inside my soulBlackacidevil, darkness bound  
Do you want to play with me  
Your blood runs cold  
You have no soul  
Your veins will burn  
Your hunger grows  
Your brain shuts down, darkness crown  
Do you want to look inside my  
Blackacidevil, all my own  
I've got to feel your heartbeat start to  
Lose control  
You have no soul...Blackacidevil, all my own  
I've got to feel your heart beat next to my  
Blackacidevil, all my own  
Do you want to look inside my soul  
Blackacidevil, all my own  
I've got to feel your heart beat next to my  
Blackacidevil, all my own  
Do you want to look inside my soul  
Inside my soul  
Inside my soul  
Inside my soulBlackacidevil, venom rush  
Do you want to rush inside  
Your heart stops dead  
You have no pulse  
You burn like ice  
Your thoughts go cold  
The piercing starts  
Beast in heat

Do you want to look inside my  
Blackacidevil, all my own  
I've got to feel your heartbeat start to  
Lose control  
You have no soul...
