## Something With Numbers

Ay, Ay, Uh

[Kanye West:]

You love my diamonds don't cha  
Let a way a nigga shine why don't you  
Baby wats your disposition  
Have you ever tried this position  
Your my dream girl from the posters  
That I thought I would never get close to  
In the black limosines with choffers  
Right next to the test-o-arosters  
It's funny how all the jewelry just gets your cat so purry  
And it look good altogether, They say they all forever  
You love my diamonds don't cha  
That I bought from all this rhymin'  
But I know you'll never love me  
You'll only love my diamonds

[Verse 1:]

You mess me up  
On a hot summer night  
I fall in love  
With you multiple times  
Got me wrapped around your finger  
Boy I hope your love lingers  
I do (I do), I do (do)  
Your my one and only rock in the rough  
I love to touch you, baby you lite me up  
And ther ain't no way  
I'll give you away  
He's my d-d-diamond daddy  
And I just got to have it

[Chorus:]

When I love baby  
I'm gonna love ya, just like I love my diamonds  
Diamonds, Diamonds  
And When I wake up every night  
(Boooooooy)

Will we be shining  
Diamonds, Diamonds  
I treasure you  
Cherish you  
Way you move my body  
(Oooooooooohhhh)  
Cause people are together  
Diamonds are forever  
Ice blue baby  
(Oooooooooohhhh)  
When I love you like my diamonds  
Diamonds, Diamonds

[Verse 2:]  
Like every girl  
I'm into fabulous things  
Like oyster pearls, and pretty diamond rings  
But your my precious pessionion  
I rock you 24/7  
I do (I do), I do (do)  
All my acessories, yea I'll give em' up  
I'd even trade them in for your love  
And the ain't no way  
I'm giving you away  
Your my d-d-diamond daddy  
And I just got to have you

[Chorus:]  
When I love baby  
I'm gonna love ya, just like your wer my diamonds  
Diamonds (Diamonds), Diamonds (Diamonds)  
And When I wake up every night  
(Booooooooooy)  
Will we be shining  
Diamonds (Diamonds), Diamonds (Diamonds)  
I treasure you  
Cherish you  
Way you move my body  
(Oooooooooohhhh)  
Cause people are together  
Diamonds are forever  
Ice blue baby
