

# First to Love

## Blaqk Audio

Emily, what did you say when he said, "Follow me"

What would you give to live your tragedy

There is no price he needn't pay

You give yourself away(Oh)

She said, "No one's ever sent me flowers"

Oh (Oh)

as the tears filled her eyes

with the tears, she denied them

Oh (Oh)

She said, "No one's ever sent me flowers"

Oh (Oh)

You'll be the first I leave because I'm always the first to loveEmily, what did you do to become part of me

I'd do anything to be your tragedy

If only my thoughts could bring you to break

You'd give yourself to me(Oh)

She said, "No one's ever sent me flowers"

Oh (Oh)

as the tears filled her eyes

with the tears, she denied them

Oh (Oh)

She said, "No one's ever sent me flowers"

Oh (Oh)

You'll be the first I leave because I'm always the first to love
