

Compare

Film School

If I continue in this silence
Have I surrendered to this all?

If you continually divide us
I can't decide if that's a fault

[Incomprehensible]
Coming from, coming from

I can't believe the things that you'll say
I can't believe the things that you'll say
I can't believe the things that you'll say
To keep me around and here by your side

I can't believe the things that you'll say
I can't believe the things that you'll say
I can't believe the things that you'll say
To keep me around and here by your side

I can't believe the things that you'll say
I can't believe the things that you'll say
I can't believe the things that you'll say
Keep me around and close to your side
