

# Working for the Weekend (Demo Version)

## Loverboy

Everyone's watching, to see what you will do  
Everyone's looking at you, oh  
Everyone's wondering, will you come out tonight  
Everyone's trying to get it right, get it right  
Everybody's working for the weekend  
Everybody wants a little romance  
Everybody's goin' off the deep end  
Everybody needs a second chance, oh  
You want a piece of my heart  
You better start from start  
You wanna be in the show  
Come on baby lets go  
Everyone's looking to see if it was you  
Everyone wants you to come through  
Everyone's hoping it'll all work out  
Everyone's waiting they're holding out  
Everybody's working for the weekend  
Everybody wants a little romance  
Everybody's goin' off the deep end  
Everybody needs a second chance, oh  
You want a piece of my heart  
You better start from start  
You wanna be in the show  
Come on baby lets go  
You want a piece of my heart  
You better start from start  
You wanna be in the show  
Come on baby lets go  
You want a piece of my heart  
You better start from start  
You wanna be in the show  
Come on baby lets go
