

# Rome Wasn't Built In A Day

Nick Lowe

You don't know it but I've made my mind up  
You'll wind up in my arms  
First I have to break down your resistance to my charms  
Yes darling I know it won't be easy  
But I won't rest until I find a way  
Everybody knows Rome wasn't built in a day  
How I'll make it happen I'm not certain  
I'm working on a plan  
And when I get it tight you'll believe that I'm your man  
You don't know it yet but you'll surrender  
When I make my play  
But everybody knows that Rome wasn't built in a day  
I'll offer you protection  
24 hours of inaffection  
But it'll take time to make it right  
Just look at what the Pharaoh did  
When he built his pyramid  
Everybody knows that didn't spring up over night  
There'll be a celebration  
And a silver band will play  
But everybody knows that Rome wasn't built in a day  
Rome wasn't built in a day
