

# What You Gonna Do (with Ashley Monroe) [Encore]

## Hunter Hayes

Who wakes you in the morning comes,  
Who calls you every late night  
Who comforts you when you're in need,  
Who always tries to treat you right  
Who gives you all he has to give,  
Who would dedicate his heart to you  
Who fulfills all his promises  
and who sees the good in you Tell me what you gonna do when I'm gone  
Oh and where your gonna go when there's nobody home  
And who's gonna love you when you're all alone  
Tell me what you gonna do when I'm gone  
Yeah what you gonna do when I'm gone I just wanna know  
Who cries knowing you don't care and  
Who worries what the future holds  
Who fears the road ahead and Who's heart is turning into stone  
Who prays for your safe return and who misses you when you're away  
Who's tired of empty promises and who's tired of all the games you play Tell me what you gonna do when I'm  
gone  
Oh and where your gonna go when there's nobody home  
And who's gonna love you when you're all alone  
Tell me what you gonna do when I'm gone  
I just wanna know what you going do gonna do when I'm gone  
Tell me what you gonna do Tell me what you gonna do when I'm gone  
Oh and where your gonna go when there's nobody home  
And who's gonna love you when you're all alone, when you're all alone  
Tell me what you gonna do when I'm gone  
Oh what you gonna do when I'm gone  
I just wanna know, when I'm gone When there's no one home and your all alone  
Will you be just be fine alone or will you cry when I'm gone  
Wanna know wanna know  
Oooohhh what you gonna do when I'm gone  
Tell me what you gonna do when I'm gone
