It's Love Lyrics

By Peetah Morgan

(Intro)

Ey how you doing baby

(laughs)

Can I get a, can I can I get a moment widâ€™ ya

(Chorus)

It's love

Like Soloman and sheeba

Like Michelle and Obama

Hey! Ha!

It's love

Like David and bathsheeba

Like my mama and papa

Oh yeah!

(Verse 1)

Let me tell you something baby

Even though I might sound crazy

I know weâ€™re not together

But when Iâ€™m with you I feel so better

Now what could it be

Is it really love or just me? (hey)

With you I found it yeah

With you I found it

(Chorus)

Itâ€™s love

Like Soloman and sheeba

Like Michelle and Obama

Hey! Ha!

Itâ€™s love

Like David and bathsheeba

Like my mama and papa

Hey hey!

(Verse 2)

Now we can go around it

And pretend like we donâ€™t recognise it

Yeah

Weâ€™re still gonna be there

This feeling aint going nowhere

Everyone can see it

Loveâ€™s too late we canâ€™t hide it

Could only be one thing

Could only be one thing

(Chorus)

Itâ€™s love

Like Soloman and sheeba

Like Michelle and Obama

Hey!

Itâ€™s love

Like David and bathsheeba

Like my mama and papa

Oh yeah!

(Bridge)

Now let the music play

Donâ€™t fight it x4

True love is so hard to come by

When you find it

Gotta hold it

Gotta protect it

Gotta love it

Yeah

Because love, love, love it aint easy.

To find, to find true love baby

love, love, love it aint easy.

To find, to find true love baby

love, love, love it aint easy.

To find, to find true love baby

love, love, love it aint easy.

And I know weâ€™ve got it

(Chorus)

Weâ€™ve got love

Like Soloman and sheeba

Like Michelle and Obama

Hey!

Weâ€™ve got love

Like David and bathsheeba

Like my mama and papa

Oh yeah!
