# Electric Suzy

## Backyard Babies

Baby, baby, I got something for you
Little Suzy come down
Broke my heart so I broke her face
Ain no way around it
I can be your masterThere something in your eyes
I don wanna see
`Cause youe electric Suzy
And youe mine
`Til the end of the time
Right `til the end of the time
To the end of the time, time, time
You electrifies me, bitchBaby, baby, I got something to tell
Little Suzy won you come down
You broke my heart so I ripped her out
Ain no way around it
I can be your masterThere something in your eyes
I don wanna see
`Cause youe electric Suzy
And youe mine
`Til the end of the time
Right `til the end of the time
Right `til the end of the time, time, time
Wanna crusify me`Til the end of the time
`Til the end of the time
`Til the end of the time, time, time
You electrifies me, baby`Til the end of the time, baby
`Til the end of the time, baby
Time, time, baby`Til the end of the time
Just electric Suzy
Alright, alright now, baby`Til the end of the time
She a really mean, mean, mean girl
I said, little Suzy won you...
I said, ride on
Come on, come on, come on
Shake it, shake it, shake it, baby
