

Woah Man

The Aquadolls

Whoa man
Whoa man
I don't know, man
Seek how she shall find them
All you seek will come to you
Come right on through
You'll know it when it kicks in.
Close your two eyes
Let that third one dance right in its place
Oh, oh
Whoa man
Whoa man
I don't know, man
Seek how she shall find them
All you seek will come to you
Come right on through
You'll know it when it kicks in.
Close your two eyes
Let that third one dance right in its place
Oh, oh
