

Glory Defined (Alternate Version)

Building 429

There's always a better way
There's always a bridge that needs crossing
There's always the straight and the narrow
The wide and the shallow But I know that You're guiding me
And the best is yet to come
You've given me hope for tomorrow
And I know someday I'll wake up to find, Your glory defined
I will finally bow at Your feet
Whoa, I will lift up Your name in honor and praise
When I cross over the Jordan
I know that I'll be running home to You It's always the simple things
It's always the obvious that crashes over me
It's always in front of me, it helps me to remember
That this is what I live for, and I can't wait Until I wake up to find, Your glory defined
And I will finally bow at Your feet
Whoa, I will lift up Your name in honor and praise
When I cross over the Jordan
I know that I'll be running home to You And there's never a question in Your message
And never a moment without Your presence
And there's never a doubt in my mind That I'll wake up to find, Your glory defined
And I will finally bow at Your feet
Whoa, I will lift up Your name in honor and praise
When I cross over the Jordan
I know that I'll be running home And I'll wake up to find, Your glory defined
And I will finally bow at Your feet
Whoa, I will lift up Your name in honor and praise
When I cross over Jordan
I know that I'll be running home to You
And I'll be running home to You
