

# Say You Love Me

Patti Austin

Don't you know that I want to be more than just your friend  
Holdin' hands is fine, but I've got better things on my mind  
You know it could happen if you'd only see me in a different light  
Maybe when we finally get together, you will see that I was right Say you love me, you know that it could be  
nice  
If you'd only say you love me, don't treat me like I was ice  
Please love me, I'll be yours and you'll be mine  
If you'd only say you love me, baby, things would really work out fine Don't you know that I want to be more  
than just your friend  
Holdin' hands is fine, but I've got better things on my mind  
You know it could happen if you'd only see me in a different light  
Maybe when we finally get together, you will see that I was right Say you love me, you know that it could be  
nice  
If you'd only say you love me, don't treat me like I was ice  
Please love me, I'll be yours and you'll be mine  
If you'd only say you love me, baby, things would really work out fine Now baby, would you say you love me,  
you know that it could be nice  
If you'd only say you love me, don't treat me like I was ice  
Please love me, I'll be yours and you'll be mine  
If you'd only say you love me, darlin', things would really work out fine Baby, would you say you love me  
Baby, would you say you love me  
Say that you love me  
Say that you love me Baby, would you say that you love me  
Say that you love me, darlin'  
Say that you love me  
Darlin', would you say you love me?  
Say that you love me  
Say that you love me Baby, would you say you love me, you know that it could be nice  
If you'd only say you love me, don't treat me like I was lice  
Please love me, I'll be yours and you'll be mine  
If you'd only say you love me, baby, things would really work out fine  
If you'd only say you love me, darlin', things would really work out fine  
If you'd only say you love me, darlin', things would really work out fine
